

STAR TRAIL MEETING MINUTES
December 13, 2011

ATTENDANCE: 16
CALLED TO ORDER: 7:06 PM
ADJOURNED: 7:50 PM

TRAIL COORDINATOR: Bruce Nelson indicated this years' funding has been approved. The amount is the same as the previous season. There were three issues regarding our trails brought to his attention. A letter was received and read at the meeting. It was decided that additional signs would be used to mark this driveway, to include 15 MPH and watch for children as well meeting with the homeowner.

OLD BUSINESS: Forest Lake area has re-routed the trail with new signs- this was approved by Washington County Engineer, Chief of Police, Mayor of Forest Lake.

NEW BUSINESS: City of Hugo requested we improve the signs/cones for the Hardwood Creek Trail area. Approx 35-40 cones were destroyed last year. A new prototype was designed. Cost is approx \$16.00 per sign. The Hugo club is requesting enough supplies to build 52 of them.

Irv made a cleat patch - provided to the Hugo Club.

Maps are in- can pick up at Century Power, will be delivered to businesses in near future.

MNUSA open house scheduled for January 21, 2012.

Happy New Year to all... now all we need is some snow!!

Next meeting to be held January 10, 2012 - 7 pm
